a fully marked patrol vehicle within the city limits of Seattle, Washington. I was identified as 3F1. I was dispatched to respond to an assault that had occurred at "Navos Mental Health Solutions" located at 2600 SW Holden ST Seattle, WA. The call stated the following.

"INV ASSAULT, 40 MIN AGO, PATIENT RAN AFTER COMPL, PUNCHED HER IN THE BACK AND KNEED HER IN THE BACK, SUSP IS RESTRAINED, MEDICS DECLINED"

Upon arrival at the above location, I met Victim/ [REDACTED] and she informed me that she was assaulted by patient and Suspect/ [REDACTED]. S/[REDACTED] has been diagnosed with schizophrenia and he is court ordered to be at Navos due to an inability to care for himself.

Prior to the assault, V/[REDACTED] went to S/[REDACTED]'s room. V/[REDACTED] informed S/[REDACTED] that it was time for him to take his medication. V/[REDACTED] asked him if he wanted it in "pill form or shot form." S/[REDACTED] replied, "Shot." V/[REDACTED] asked him as to why in "shot form" since he normally takes the pill form. S/[REDACTED] yelled, "Just bring me the fucking medicine bitch!"

V/[REDACTED] said that while leaving the room to get the medication, S/[REDACTED] then grabbed her, turned her around and punched her in the nose. S/[REDACTED] then pushed V/[REDACTED] up against the room wall. V/[REDACTED] said that she hit the wall and fell to the ground scratching her arms and elbows. S/[REDACTED] proceeded to knee V/[REDACTED] in the back. Staff were nearby and arrived to aid V/[REDACTED] to prevent the assault from continuing.

Officer Hemsley #8364 took photographs of the injuries and later uploaded them into DEMS.

S/[REDACTED] was then placed in "four point restraints" by medical staff and informed me that they had him in his room by himself.

Witness/ [REDACTED] informed me that S/[REDACTED] had previously assaulted her "a few days ago." Reference SPD GO Case Number 2017-226758.

V/[REDACTED] informed me that she wanted to press charges on S/[REDACTED] for this assault.

Due to [REDACTED]'s mental health and the fact that he was already being kept in a secure mental health facility, I decided to document this assault as a "charge by officer." I provided V/[REDACTED] with an SPD business card with my name, badge number and case number for the report.

V/[REDACTED] stated that she was challenging his mental state on this assault because

he later boasted to other saying, "I beat up the Charge Nurse." Implying that he was aware of what he was doing and to whom he was assaulting.

I then asked V/[REDACTED] if I could speak with S/[REDACTED]. V/[REDACTED] stated that if it would not change the outcome of my decision then I should, "just leave." I told her that it would not, but I would still like to interview him. She then turned away from me and went to speak with one of her nurses.

I did not contact S/[REDACTED].

As I was leaving, I overheard V/[REDACTED] coordinate with one of her nurses and informed her to ensure he is "sedated" to prevent him from assaulting anyone else.]

I hereby declare (certify) under penalty of perjury under the laws of the State of Washington that this report is true and correct to the best of my knowledge and belief (RCW 9A.72.085)
